Board members, all of whom are non-executive, are drawn from diverse backgrounds and bring a broad range of experience and skills to Board deliberations. All new Board members attend an induction course shortly after appointment in order to familiarise themselves with their statutory responsibilities, their role as Board members, and the governance framework of Suas and Suas’s vision, mission and values.

There are clear distinctions between the roles of the Board and the executive management team. The Board is responsible for providing leadership, setting overall strategy and monitoring budgets and outcomes of the company. The Board is also responsible for identifying the risks affecting the company and ensuring procedures are in place to reduce and manage the major risks identified. 6. Resources expended: charitable activities (continued)

Charitable activities comprise direct programme costs plus allocated support costs. Direct programme costs are those incurred wholly and exclusively for the primary objects of the charitable activity. Support costs represent general expenditure which cannot be allocated specifically to a single charitable activity but can be allocated subsequently on a reasonable basis. Where support costs are incurred to further more than one activity they are apportioned between the various activities based on the amount of staff time each activity absorbs. These costs include insurance, rent & rates, IT systems development and CEO remuneration.
